CARE BEYOND THE CITY LIMITS

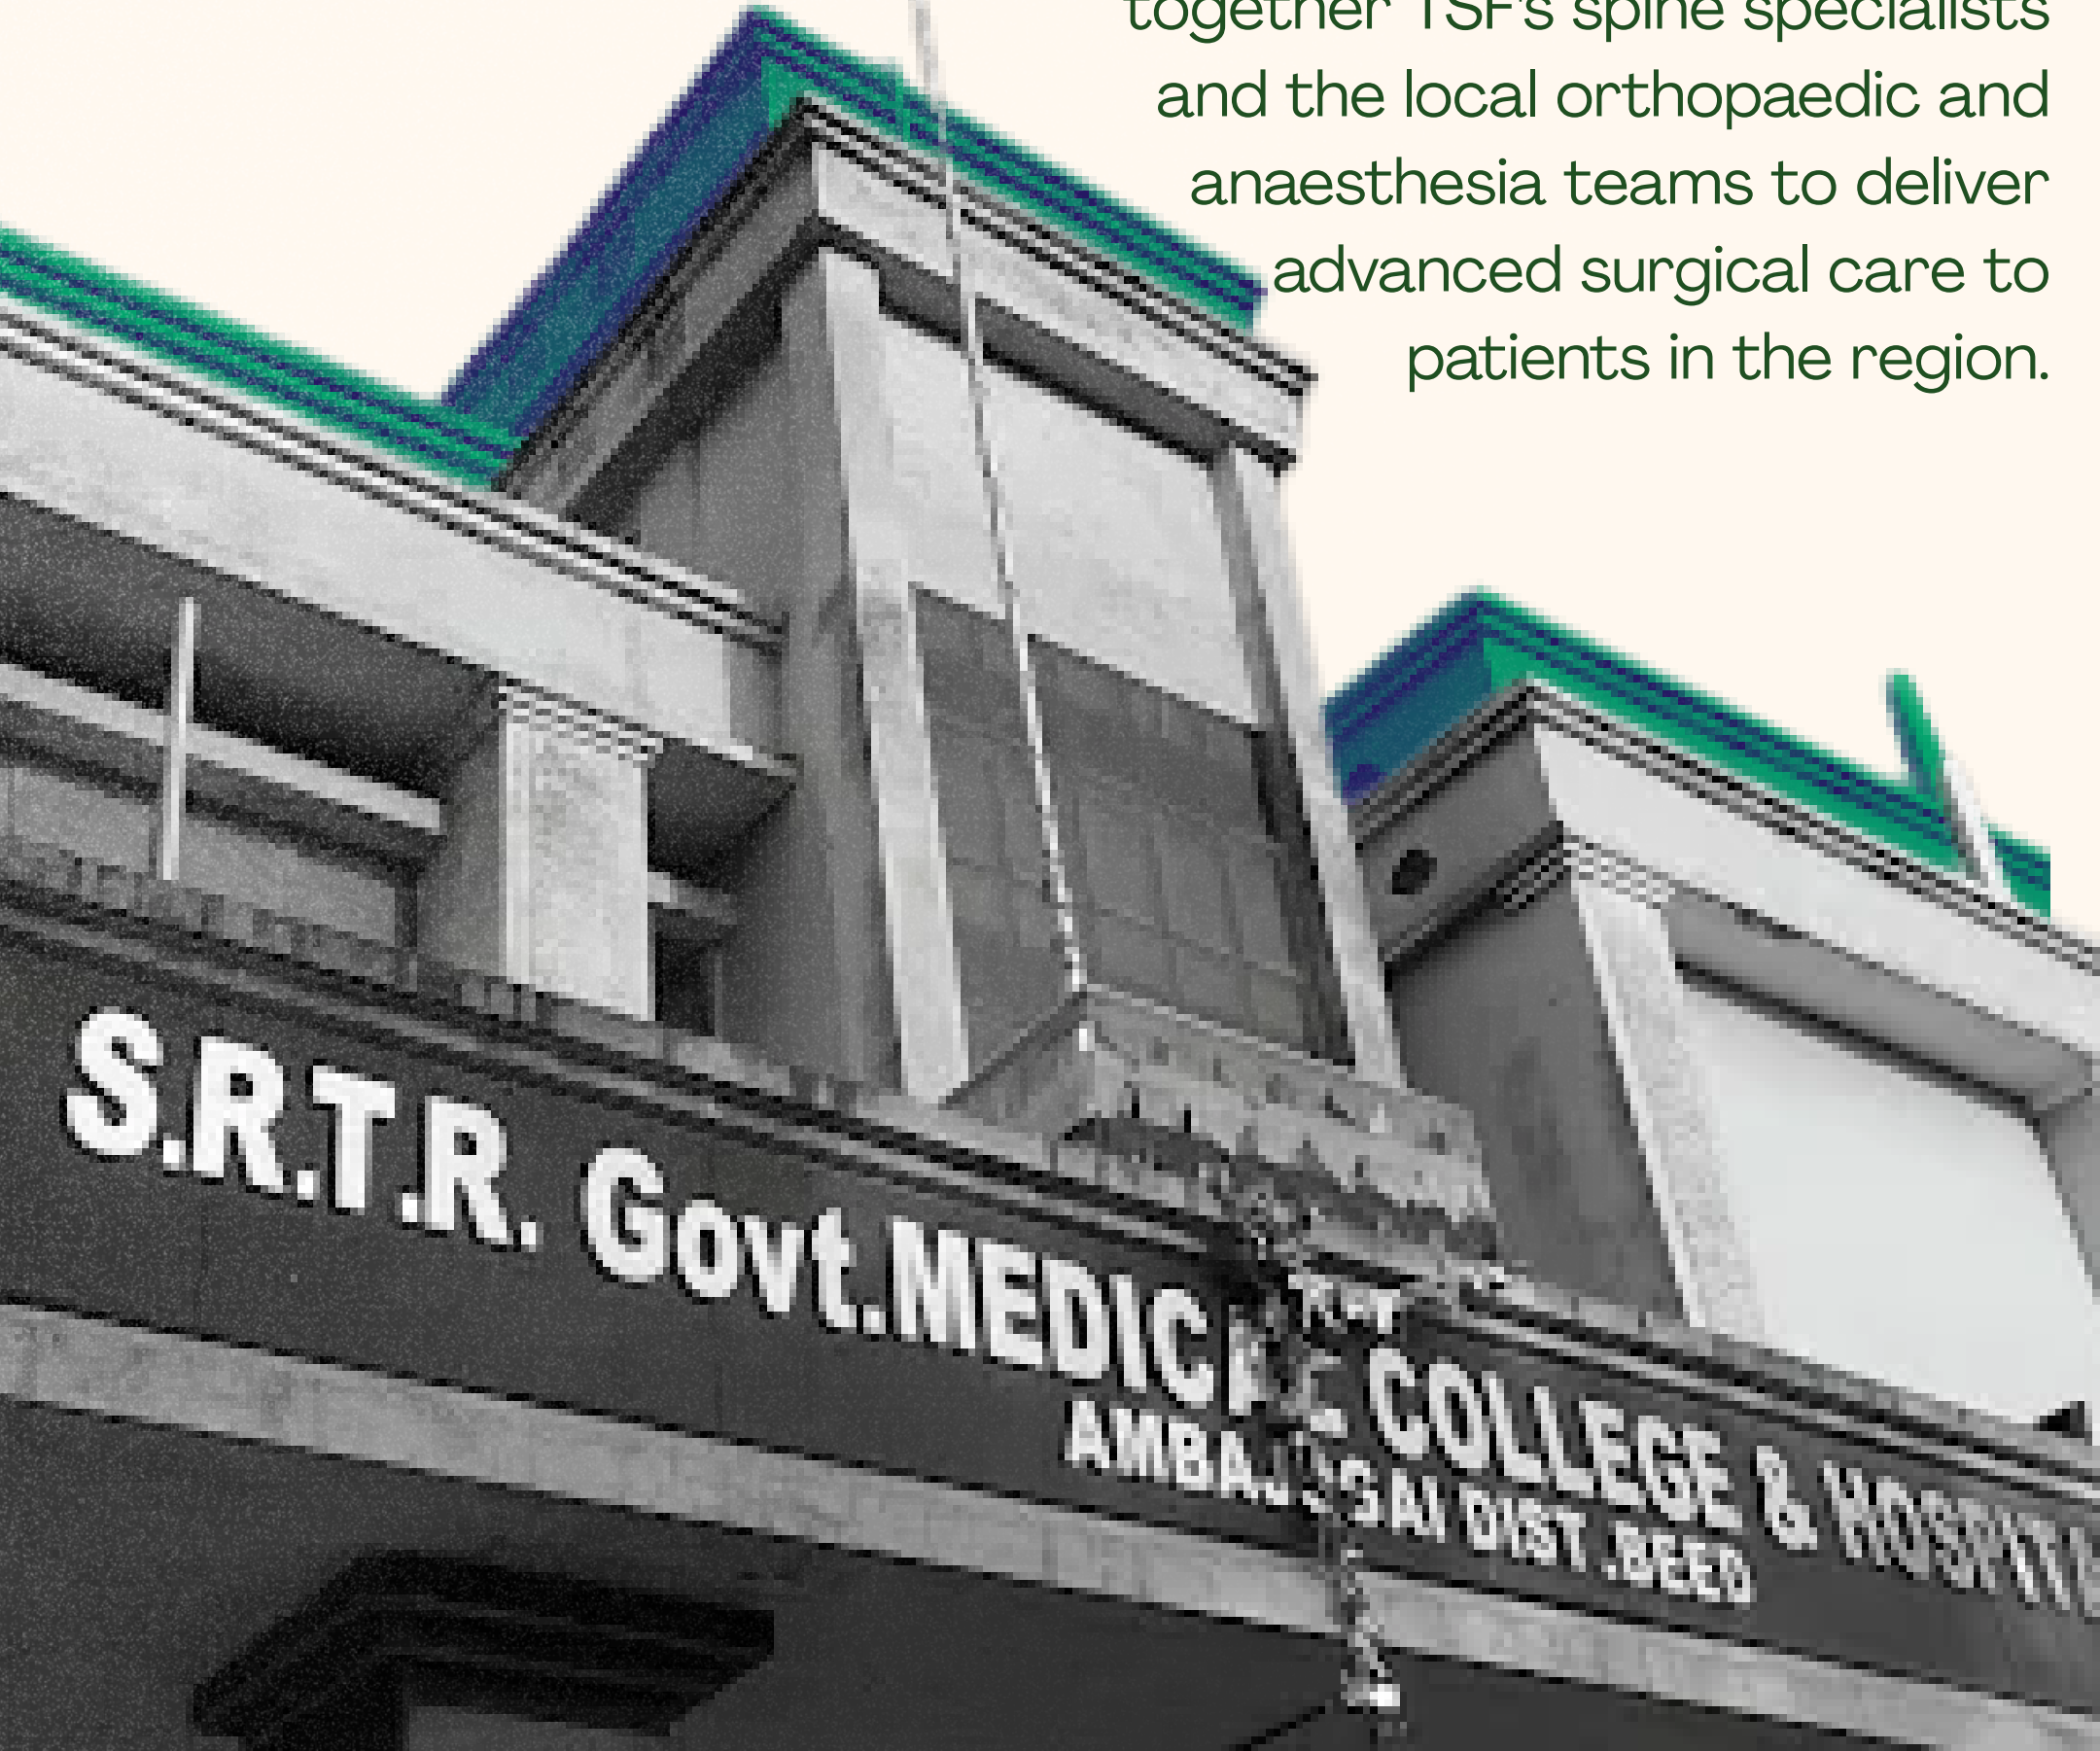

**IMPROVING ACCESS,
STRENGTHENING CARE**

18TH JULY, 2026

AMBAJOGAI

Swami Ramanand Teerth Rural
Medical College, Ambajogai,
Maharashtra

The Spine Foundation conducted an RSCC spine camp at Ambajogai, Maharashtra on 18 July 2026. The one-day initiative brought together TSF's spine specialists and the local orthopaedic and anaesthesia teams to deliver advanced surgical care to patients in the region.

A DAY OF IMPACT

AMBAJOGAI

18TH JULY, 2026

13 CASES MANAGED (11 SURGERIES + 2 BLOCKS)

- 2 Lumbar Decompression + Fixation
- 7 Lumbar Decompression
- 2 Lumbar Decompression + Discectomy
- 2 Pain Blocks

PRECISION IN PRACTICE

ELEVEN SURGERIES AND TWO PAIN-RELIEF PROCEDURES WERE COMPLETED IN A SINGLE DAY, REFLECTING THE PRECISION AND COORDINATION OF THE COMBINED TSF AND GMC AMBEJOGAI TEAMS. ALL PATIENTS REMAINED COMFORTABLE POST-OP WITH STABLE VITALS, NO LEG PAIN, AND NEURO STATUS UNCHANGED FROM PRE-OP, DEMONSTRATING THE FOUNDATION'S CAPACITY TO DELIVER TERTIARY-LEVEL SPINE CARE IN RESOURCE-CONSTRAINED SETTINGS.

LEADING BY EXAMPLE

A WORD FROM DR BHOJRAJ

Beyond the operating table, Dr Shekhar Bhojraj took the time to address the residents, students, and local host team at GMC Ambajogai, sharing his experience and perspective on spine care. His words left a lasting impression on the audience, inspiring the next generation of surgeons to pursue excellence and reminding everyone present of the purpose behind every procedure, restoring mobility and hope, one patient at a time.

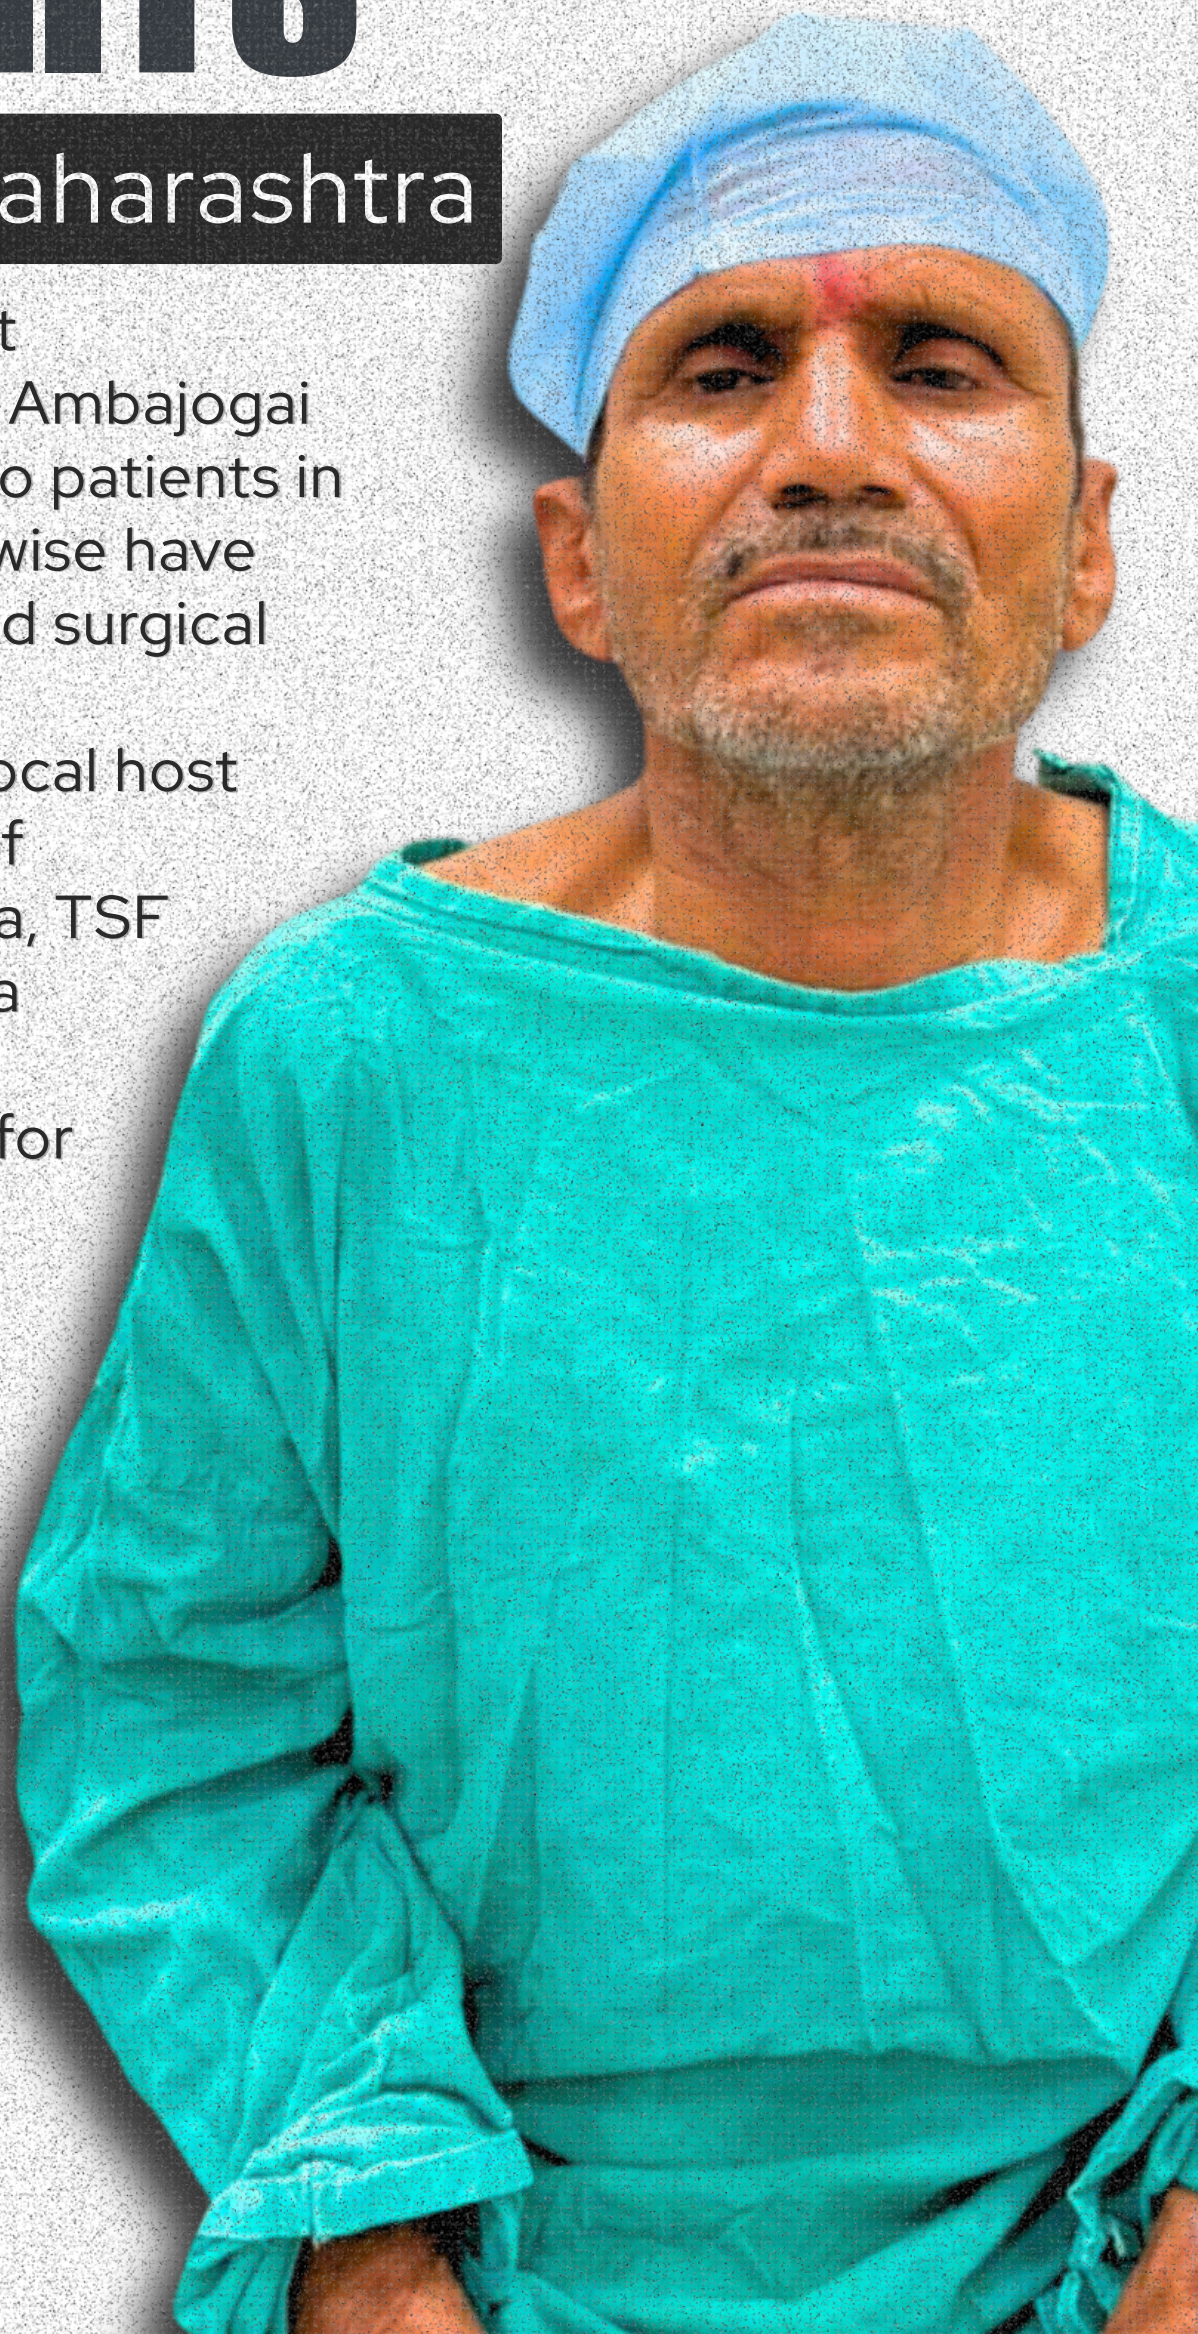

CARE BEYOND THE CITY LIMITS

The TSF Camp, Maharashtra

The Spine Foundation camp at Government Medical College, Ambajogai brought specialist spine care to patients in Maharashtra who would otherwise have had limited access to advanced surgical intervention. By establishing a collaborative model with the local host team from the Departments of Orthopaedics and Anaesthesia, TSF delivered high-quality care in a familiar, accessible setting, removing a significant barrier for patients across the region.

THE STRONGEST
OPPORTUNITIES ARE
OFTEN BUILT ONE
CONVERSATION AT A TIME.

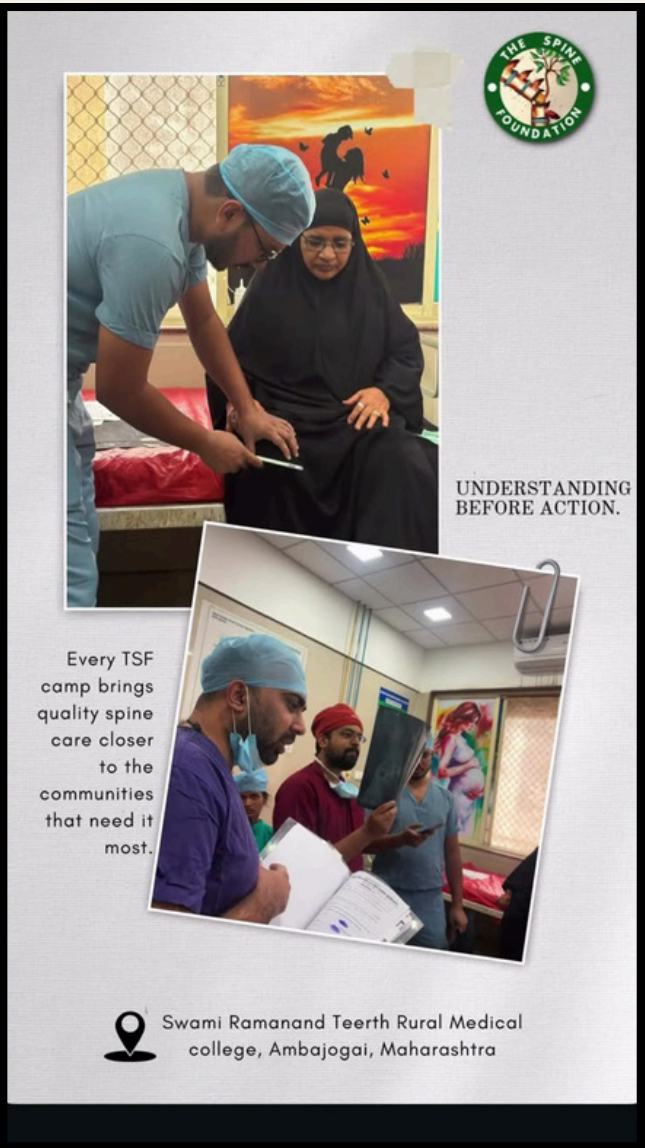

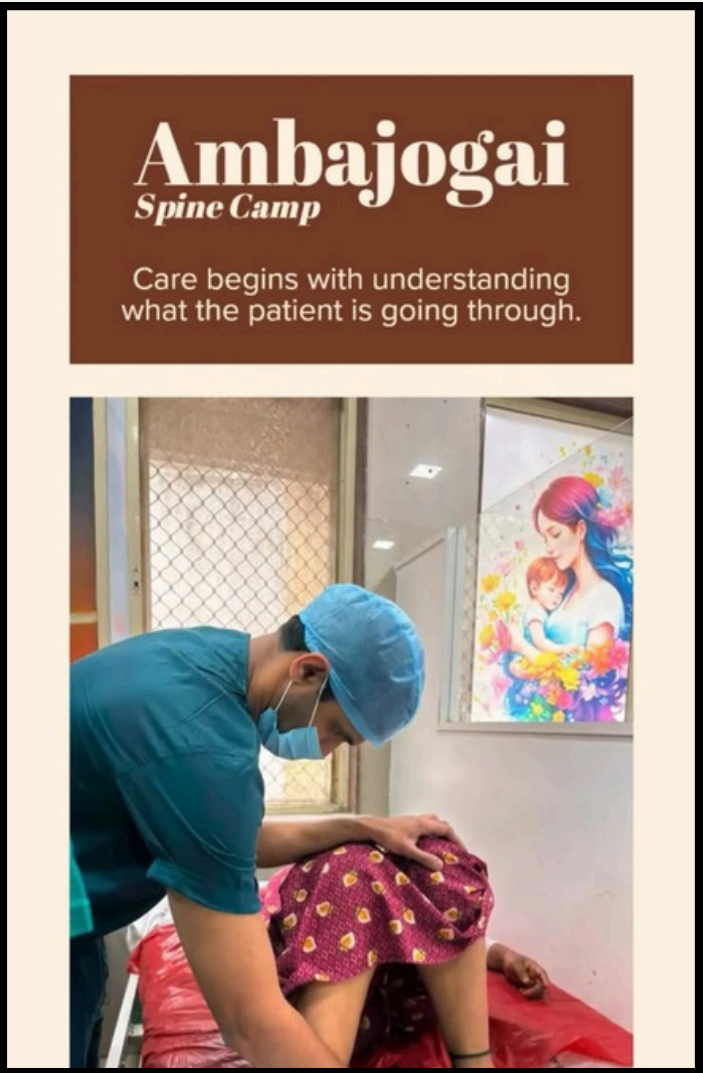

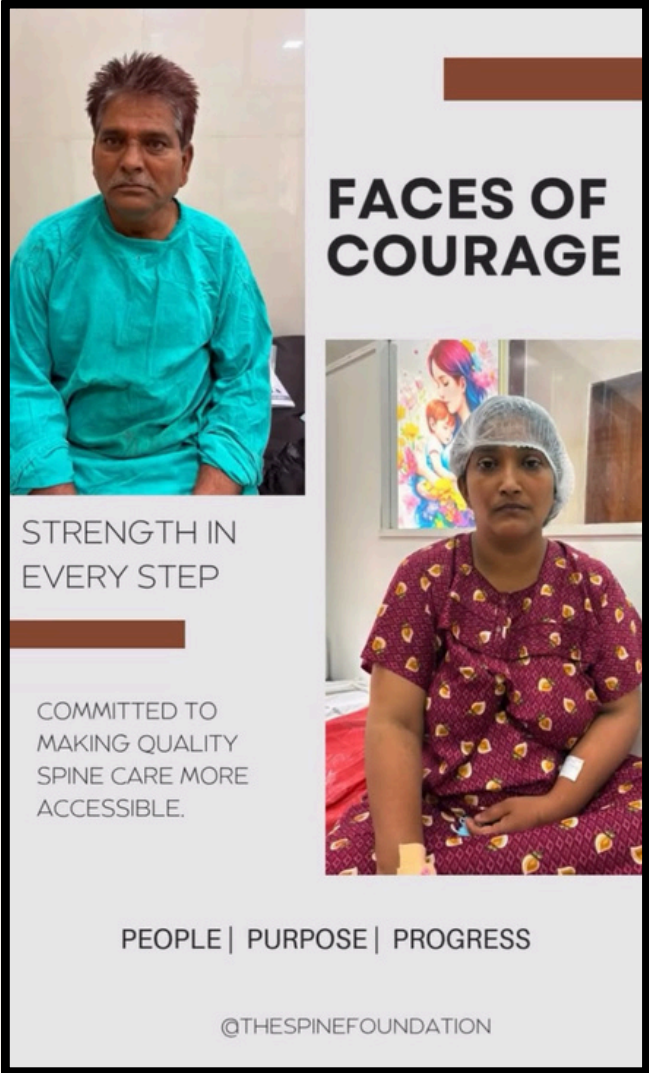

MOMENTS FROM THE CAMP:-

Together, we strengthen healthcare through knowledge, collaboration, and compassion.

Different Patients.
One Purpose.

No two patients are the same, but every one of them deserves access to quality spine care.
