9-10
OCTOBER 2026

D. Y. PATIL MEDICAL COLLEGE
AND HOSPITAL, KOLHAPUR

9–10 OCTOBER 2026

Over two days in Kolhapur, visiting spine specialists, local clinicians and hospital teams came together to address complex spinal conditions and provide specialised surgical care.

A CAMP IN FOCUS

KOLHAPUR: TWO DAYS OF CARE

THE THINKING BEHIND TREATMENT

EVERY CASE, A CLOSER LOOK

Clinical assessments, imaging findings and individual patient needs informed the evaluation and planning behind each surgical case. Careful review helped the teams determine the appropriate way forward.

ASSESS. EVALUATE. PLAN.

ANTERIOR FIXATION

02 — LUMBAR DECOMPRESSION +
DISCECTOMY (UBE)

01 — LUMBAR DECOMPRESSION
(UBE)

01 — LD + FIXATION

KOLHAPUR, IN FOCUS

WHEN SPECIALITIES
COME TOGETHER

The Kolhapur camp brought together visiting spine specialists, local clinicians, anaesthesia professionals, neuromonitoring specialists and hospital staff.

Across complex surgical procedures and post-operative care, the teams worked together to address individual patient needs and support continuity of care.

THROUGH THE LENS: KOLHAPUR

From surgical preparations and teamwork in the operating theatre to post-operative observation, these moments capture the collective effort that supported the camp.

SPINE CAMP
